Principal's Report

Our First 6 weeks of 2020 at LPS

It's fair to say that the commencement of 2020 has been as positive as it can be for our 1010 students considering the evolving developments of Corona Virus and the media headlines that it brings. We will continue to bring you the latest recommendations from the Health Department, Education Department and the Government. Rest assured that as a large school we have not had any diagnosed cases within our community. Constant vigilance around travel plans should be considered and in the event that you do travel to any highly affected countries over the upcoming break, communication with our school would be favourable.

Our students are to be commended on the strong focus they have displayed throughout the first 6 weeks, where they have set a strong platform for learning. Coming out of the bushfire season into unprecedented rain and wet and hot day timetables for our students, they have spent many hours inside rather than out. We are all very proud of their efforts to this point.

Our 140 plus Preps have simply been superb and it is a joy to walk through all 8 classrooms to witness a high level of engagement and a deep love of learning. Congratulations to our parents and teachers for all your hard work and preparedness.

We strongly encourage you to reinforce with your children and have discussions around our 3 school rules of;

- RESPECT our school
- Do Your BEST
- Help Others Succeed

As a family, it would be wonderful to have a positive conversation with your children around what success for them looks like in 2020 and through the remaining 3 weeks of the term. Please also ask them to articulate their goals for learning in terms of academic, sporting or social success.

Curriculum Day for PREPS

On Friday 20th March, our Prep students will have a Curriculum Day to allow for further training for our Prep Team on the new Investigative Learning Model that has delivered such great success for our students. Prep students will not attend school on this day. To assist families with care for the day, we will run a vacation care service from 7am -6.30pm at a 50% reduction on our normal rates. Please see Emma and our OSHC team if you require a booking for your child on this day.

Principal's Report

Respecting our Schools, Education and the Professional Staff in our Workplace

Around the same time each year, I like to communicate to the community around our expectations of parent conduct in schools and the challenges we face as educators. You would most probably be aware of the recent publicity around lack of respect for Police, Ambulance and Fire services and indeed the challenges for Education, our schools, Principals and their staff. Far too often there are strong media cases presented around these issues which involve people making unnecessary infiltrations without considering going through the correct process. There seems to be an increase in the number of occasions where our communities demonstrate a high level of disrespect to people within education, their schools and the teaching professionals that work within our schools. People need to be made aware that our school is a workplace and home to 125 plus employees (including our cleaning contractors after hours) and that all people need to be treated with a level of respect and dignity whilst at work. Our staff work tirelessly to ensure the students are safe when they attend school and we would love for this to be reciprocated.

Appropriate modes of face-to-face communication on a regular basis appear to be diminishing as people resort more and more to social media to express concerns. At Laurimar Primary School, we believe our amazing community is better than this and we ask that if there is an issue that needs to be discussed or addressed regarding our students, please refer to the appropriate channels of communication to work effectively to reach a solution that best supports your child and their learning needs. Evidently, the ratio of issues regarding academics or learning for students vs social issues is highly weighted in favour of the social demands. We have wonderful success in finding solutions when given the opportunity to work through with our brilliant families in a face to face conversation that involves a detailed plan around our students.

As a family, we would love for you to reflect on how we can be more effective in this space and feel free to discuss with your teachers or members of school leadership on ways of how we can all take our levels of respect to a much higher state.

There is certainly a need for us all to take stock and treat people the way that we would like to be treated with care, concern and compassion. Many thanks in advance for your consideration.

Emergency Evacuations

As part of our OHS practices, we will be running a number of exercises as part of our emergency evacuation plan/ fire drill preparation as per our training and procedures. This will be the first of many for our staff and students and any visitors on the school grounds. Throughout the year, we will conduct fire drill evacuations, lockdown procedures and off site evacuations.. Please discuss with your child the importance of these drills and remind them to remain calm in any drill event and listen to the instruction of their teacher. Safety of all at Laurimar Primary School is our priority and we will always work hard to maintain this culture.

Police Visit Grade 1 and Prep

Students from Grade 1 and Prep were greeted today with a visit from our good friends the Police. The students were very excited to listen and ask questions . We are very grateful for their time.

Principal's Report

Supporting your child's Learning in the Home at LPS: Tips for building Literacy Skills

Being proactive and a strong role model to support your child's learning development is vital through the early years of schooling (Prep-6). Listening to your child read, reading to your child or listening and watching others read are all powerful ways to build capacity with literacy skills. One way to enhance your child's speaking and listening skills and to expand memory and imagination is through storytelling. Either you can tell the story, or encourage your child to tell the story.

Storytelling might be about;

- Your child's favourite toy, holiday or sport
- Another member of the family
- Favourite pet or animal
- Favourite fictional character from a book or TV program
- A famous person/ sports person
- The work of people from different professions such as astronauts, scientists(STEM), firefighters, nurses, Police or teachers
- An imaginary world with imaginary characters
- An imaginary animal that can speak or come to life

When storytelling, make it exciting, with different voices, puppets or finger play.

Have a dress up box for your child to use for storytelling and imaginative play.

Start with what interests you and by creating the characters and setting.

Good luck and enjoy the magical journey of watching your child learn with your guidance and positive role modelling.

Mobile Phones

A reminder to any parents whose child is required to bring a mobile phone to school for any reason that the State Government of Victoria have brought in new procedures for phones in schools. ALL phones are required to be signed into our secure facility in the morning and signed out in the afternoon. Your cooperation in this urgent matter is much appreciated.

2020 School Council Elections

Many thanks to the candidates who have nominated for our 2020/21 School Council. As the number of nominations outweighed the number of vacancies, our community was required to have an election. I appreciate the candidates taking the time to express interest and complete a short biography of their talents and strong drive to become a valued and successful council member. This is such a rewarding and fulfilling role knowing that volunteering your precious time helps to shape the future direction and planning of our school, as we all strive to stretch and challenge our students to improve their learning outcomes. Please ensure you get your ballot paper into the office either in person direct or via post by close of business 4pm next Tuesday 10th March.

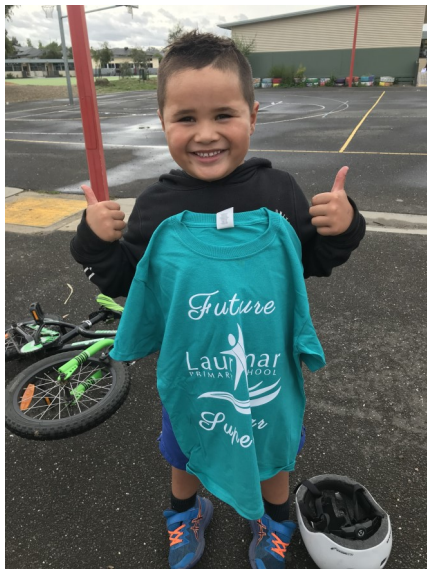

All successful school council members will be notified to the community on Monday 16th March. Our school council AGM will then be conducted on Wednesday 25th March.

Principal's Report

2021 Prep Enrolments

A reminder to our school and wider community that 2021 Prep Tours and Enrolments are now open. We have already taken some new Prep Superstar enrolments for next year to join our new Prep Investigative Learning Model. Please arrange a tour to come in and see the new model at work and the high level of engagement for our students. We look forward to seeing many future Preps at our upcoming Prep Familiarisation sessions commencing in May.

Please go online to book a tour or speak to Sue in our office on 9717 7100

School Photo Day

On Wednesday, it was splendid to see so many fresh, happy, smiley faces combined with the new haircuts and bright uniform for our whole school Photo Day. Our new Prep students did a fine job shaping up for their first official school photo both individually and as a grade for the class of 2020. Conversely, always a sad moment after 7 years with our grade 6 cohort having their final Primary School Days Photo which they will receive at the Graduation Ceremony. I was very proud of the way our entire staff looked at 7.45am for our traditional whole staff photo and how clean and polished our students looked. Many thanks to our parents who so aptly prepared their children for the day.

Let us all aim for a strong finish to a successful first term of the 2020 school year, where we all work hard together to maintain our focus, high levels of respect, positively engage and communicate, maintain composure and reach our goals with student learning and behaviour. I look forward to seeing you all around our school adding value to our students.

Best wishes,
Jason McBean

Assistant Principal's Report

Curriculum @LPS

Our Online Resources

At Laurimar Primary School we subscribe to a variety of amazing online programs that can be used at home to support our students with their learning. We use Mathletics, Reading Eggs and Reading Eggspress, World Book Online, Sound Waves Online and Epic. Accessing these programs at home is easy using the passwords your child has been provided, by the their teacher. For Years 3 to 6 these should be in their school diary. **This is a great way to support and extend your child with their learning and strengthen the home school partnership.** Below is a summary of each program to give you an idea of what the program includes and the types of activities you could work on with your child at home.

MATHLETICS

Mathletics as the name suggests is an online learning resource to support maths learning from Kindergarten in to Secondary School. It includes a full set of curriculum-aligned activities covering all topics and themes of maths covered throughout primary school and beyond. All activities are automatically marked, with learners receiving clear feedback on their progress. Mathletics Live provides learners with the opportunity to test their skills in a live online maths game, competing against others from right across the world! The Curriculum content is supported by interactive tutorials to both support students who need further explanation or practice of a concept or skill and it also explains concepts and skills not yet taught to those who would like to extend their learning.

READING EGGS AND EGGSPRESS

ABC Reading Eggs and Reading Eggspress are designed to build children's skills in reading, comprehension, spelling, vocabulary, handwriting and grammar. The programs include activities for children from pre reading level to 13 years of age. Reading Eggs caters for Kindergarten to Year two and Reading Eggspress caters for Year 3 on. The online reading programs use simple navigation to allow direct access to all learning areas, and are computer, iPad and tablet friendly. Children can read books, complete activities and lessons, based on the books, compete against other students and earn rewards to improve their skills.

WORLD BOOK ONLINE

World Book Online is a fantastic resource. It has a variety of different sections that the students can use to support their learning. World Book covers a vast number of subject areas and the text is at a level that students from as young as 7 years old can understand and read independently. It provides us with a strong reliable information source and it is a fun way to introduce computer research skills to students.

When you log on you can access Early World of Learning, Kids, Student, Timelines and eBooks by clicking on the tabs. In each of these sections there are a variety of resources such as books, news articles, activities, games and videos that the students can access to find out about the world around them.

SOUND WAVES ONLINE

Sound Waves Spelling has an online component which supports the phonemes that we investigate across the school each week. There are many activities that you and your child can do together or that your child can do independently to further consolidate their spelling learning. Some of these activities are Sound boxes, chants and action clips, interactive games and words to learn that relate to the phoneme. See below for the Sound Waves phonemes we will be focusing on over the next two weeks.

Assistant Principal's Report

EPIC

Epic is another reading resource that students can access to enjoy, consolidate and improve their reading. It is a digital library for children 12 and under. This website has approximately 35,000 texts, audio books, quizzes, and learning videos. The items are categorized into topics so it is easy to navigate to find what you are looking for. Texts are levelled into age categories which make it easy to meet the needs of each child. At school this is a free resource however at home you need to create an account which incurs a cost of approximately \$8 a month.

We look forward to hearing about the activities children are engaging in at home with these fantastic resources.

SPELLING @LPS

Our spelling focuses for the next two weeks are:

PREP SOUND WAVES FOCUS

Find below our Sound Waves foci for the next two weeks for each year level. As already mentioned there are great activities that you can do at home to support your child in developing the vital understandings they are learning in their classroom. Some of these are finding objects that begin with these phonemes, segmenting words with the phonemes into the individual sounds that make the word and completing the related activities on the Sound Waves online site. Your child has the password needed for this.

Prep Sound Waves focus for the next two weeks:

WEEK BEGINNING TUESDAY MARCH 10		WEEK BEGINNING MONDAY MARCH 16	
Monday	Mm	Monday	Aa
Tuesday		Tuesday	
Wednesday	Nn	Wednesday	Ee
Thursday		Thursday	
Friday		Friday	

Assistant Principal's Report

YEAR 1 TO 4 SOUND WAVES FOCUS

Over the next two weeks students in years 1 to 4 will be investigating:

Week beginning March 10

Week beginning March 16

YEAR 5 and 6 SOUND WAVES FOCUS

Over the next two weeks students in years 5 and 6 will be investigating:

Week beginning March 10

Double Letter Rules e.g.
Double the final consonant in words with one syllable, one short vowel and end in f, l, s, z.
e.g.
toss, bell, stuff and buzz

Week beginning March 16

First Aid

Medications

Please ensure you complete medication authority form if your child requires medications at school. This form can now be found on the school website. Please ensure a parent or guardian delivers the medication to First Aid and it is in its original packaging.

Spare Clothes

Please put a spare change of clothes in your child's bag in case they are required.

Ventolin and Spacers

If your child is an asthmatic, please provide a spare Ventolin and spacer to be stored in first aid.

Viral Gastroenteritis

Viral gastroenteritis (gastro) is the one of the most common cause of vomiting and diarrhoea in young children. It is often a short-term illness, triggered by infection and inflammation of the digestive system, resulting in vomiting, diarrhoea and abdominal cramping.

How is viral gastro spread?

*Person to person – either directly or indirectly

This may be by direct contact with the infected person or by touching contaminated surfaces or by coming into contact with airborne droplets.

*Eating contaminated food or drinking contaminated fluids

Infected people may continue to have the virus in their faeces and pass it onto others several days after symptoms have stopped. The Department of Health strongly suggests that people who have had gastro do not attend school until 48 hours after symptoms have stopped.

How can I avoid the spread of viral gastro?

The simplest way to avoid spreading gastro is basic hand hygiene. This includes:

Washing your hands thoroughly with soap and warm water for at least 15 seconds before eating and after going to the toilet.

Cultural Diversity Week

23rd – 27th March 2020

Laurimar Primary School Cultural Diversity Week is coming around again! This exciting event will be held in the last of Term 1 23rd to 27th of March 2020. Cultural Week is an important event in the school's calendar. It is a time for us all to come together to celebrate the cultural diversity here at LPS and to help our students learn about our world. Our students are global citizens in an increasingly interconnected and multicultural world, and LPS Cultural Week supports this. This week day also complements our Chinese Language Program.

Cultural Week will again accompany planning week where students in their year level will have a full day of cultural themed educational activities, cultural performances, interactive workshops and lessons. The day aligns with the Victorian Curriculum, promoting Intercultural Capability and Asian Literacy. We cannot wait to see our students participate in this special week!

Important information for parents regarding Cultural Diversity Week:

- Students will wear full school uniform. Please NO dress-ups or costumes.
- There will be Cultural performances and workshops throughout the week. Parents are welcome to join us at the assembly for the morning and/or afternoon performances. Please see the table below
- Performance schedule

Date	Performance	Time
Monday 23rd March	Australian Aboriginal Ceremony and Performance	9 am at the Assembly Area
Wednesday 25th March	Chinese Lion Dance	9 am at the Assembly Area
Thursday 26th March	International Comedy Show	Prep-2: 11:30 - 12:30 Grade 3-6: 12 pm - 1:30 pm in the Gym
Friday 27th March	African Drumming Performance	2 pm at the Assembly at 2.30pm

Easter Hamper Raffle

Dear Laurimar Primary School Community,

This year the school is holding its annual **Easter Hamper Raffle**, with the winners being drawn on Friday 27th March, at our final Term 1 Assembly, at 1.30pm. All Parents and Families are invited to attend.

Each class will have its own hamper to be won.

Each child is asked if they could kindly donate one item for their grade's hamper. Examples – Small Easter toys, books, Easter eggs, etc.

Each child has been given this sheet containing 12 raffle tickets. With every ten \$1 tickets sold you will receive two free tickets. **The child's name must be placed on ALL purchased tickets.**

Also we are having a whole school raffle with the prize being a GASMATE adventurer Deluxe 1 BBQ (valued at \$249.00). Tickets are \$1 - Max one ticket per child. These will be sold separately to the class hampers *

***PLEASE NOTE THAT THE WINNING STUDENTS MUST BE AT THE ASSEMBLY TO COLLECT THE PRIZE AS IT CANNOT BE HELD OVER THE HOLIDAYS.**

All money raised will be going to our large project of the centre landscape and garden area near the snake sandpit.

Please return the sheet as a whole (regardless of how many tickets you purchase) with the required money.

Please return your sheet and money by Tuesday 24th March to your classroom teacher

PLEASE DO NOT CUT THE RAFFLE TICKETS OUT

Please Note – Strictly No Chocolate or food to be placed on any hats

Get creative and craft a wild and crazy Easter hat to parade at our final Term 1 Assembly

Division Swimming 2020

Congratulations to our wonderful students that represented Laurimar Primary School in the Division Swimming Carnival this week.

Ride to School

Ride to School Day – Thursday 12th of March

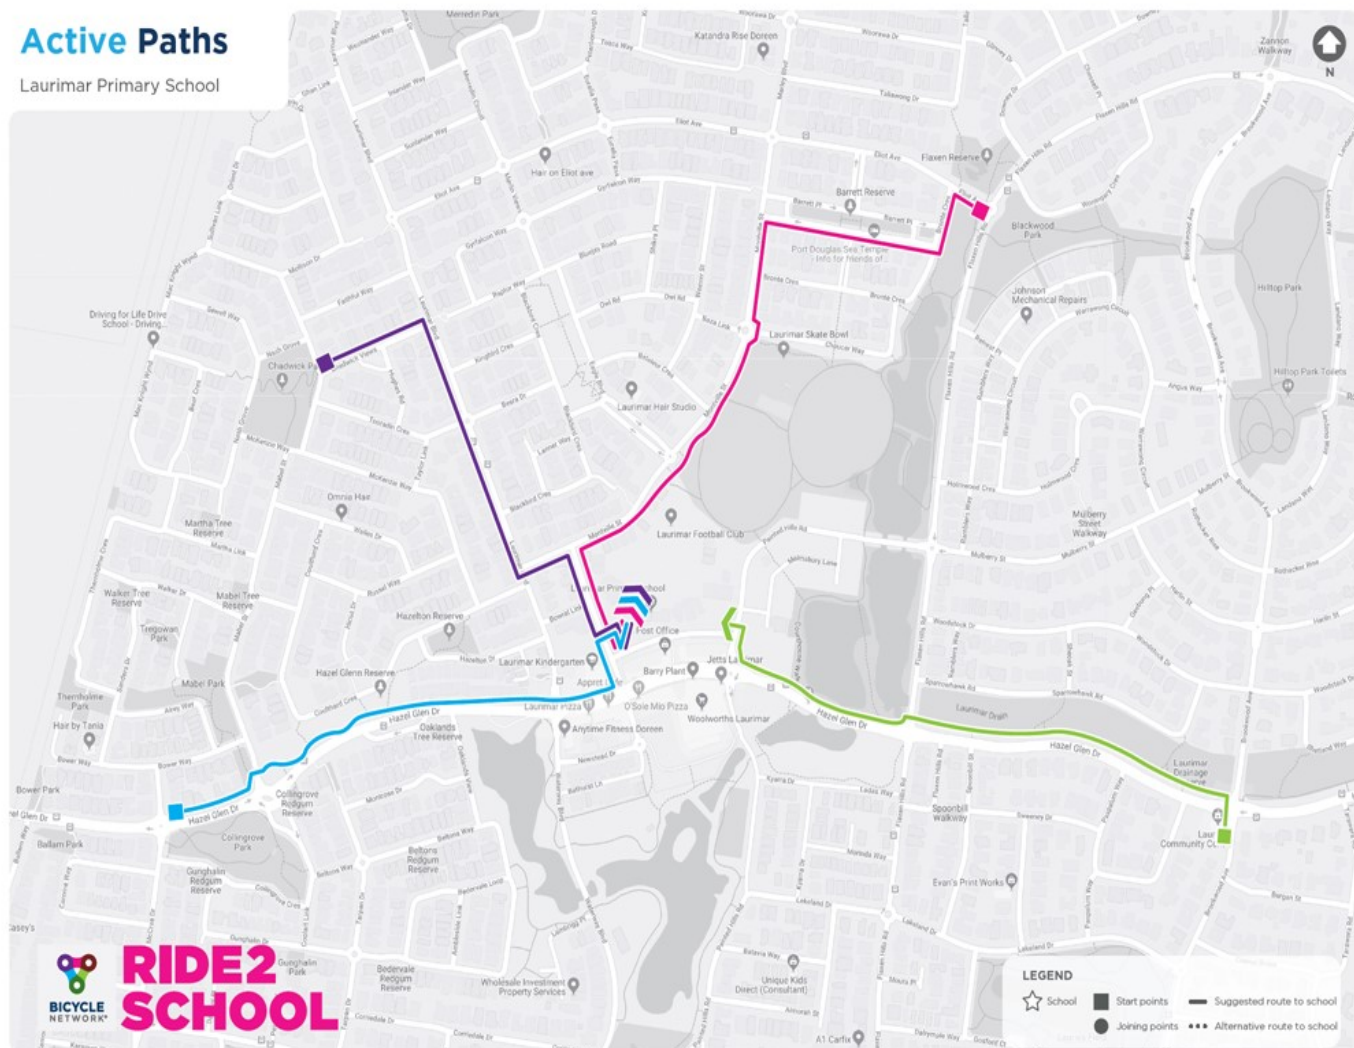

Join us on Thursday the 12th of March for our Ride to School Day. Students are encouraged to scoot, skate, ride and walk with a parent or guardian safely to school along our dedicated routes.

Join our teachers at the starting points below throughout the Laurimar Community on Thursday at 8.20am for an 8:30am departure. We will celebrate Ride to School Day with a short assembly at 9:00am.

How do I set up an online account?

It's quick & easy!

- go to www.munchmonitor.com
- Enter Username: laurimarps and Password: munch3754
- Click Sign UP

Follow the 4 easy steps to create your account

Create a Parent Profile

Add your students to your Account

Click on Account Top– Up to transfer money into your account.

You'll be directed to ANZ's secure eGate website

You're ready to **use your online account!**

Thousands of parents are enjoying the convenience of MunchMonitor every day. Here's what some have to say:

"I think this has to be one of the greatest things to be introduced to the school.... so thank-you!"

"It's simple & convenient"

"Absolutely love the fact that you don't have to give them money to take to school"

"I don't have to worry about forgetting to give them money"

What does it cost?

Munch Monitor costs just \$3.65 (that's less than a cup of coffee) per Parent Account per Term.

Munch Monitor is active now!

Need more information ? Send an email to help@munchmonitor.com

From the Office

Student Accident Insurance, Ambulance Cover Arrangements and Private Property brought to school.

Parents are reminded that the Department does not provide personal accident insurance or ambulance cover for students. Parents and guardians of students, who do not have student accident insurance/ambulance cover, are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance or transport as well as any other transport costs.

STUDENT ACCIDENT INSURANCE

Parents are reminded that the school does not provide personal accident insurance for students. Parents/guardians are responsible for paying the cost of medical treatment for injured students, including any transport costs. Reasonably low cost accident insurance policies are available from commercial insurers should you require one.

Immunisation Certificates

All students are required by law to provide a copy of their certificate on enrolment. Even if your child is not immunised, you must still provide an immunisation status certificate. If you have previously received a letter requesting an immunisation certificate be provided to school, can you please follow this up promptly.

From the Office

IMPORTANT INFORMATION FOR PARENTS - CSEF PAYMENTS

The Camps, Sports and Excursions Fund helps ensure that no student misses out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their achievements. CSEF will be provided to eligible families to cover part of the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child. The annual CSEF amount per student is:

- \$125 for primary school students

How to Apply

Contact the school office to obtain a CSEF application form or download from the CSEF website www.education.vic.gov.au/csef

Change of Information

If over the holiday period you have changed your address, telephone/mobile number or place of work details, could you please inform our office staff as soon as possible as we need to have Current information for emergency purposes. If your child attends before or after school care, ensure you let the OSHC Team know of any changes as well. Your assistance with this would be greatly appreciated.

Lost Clothing and Property

Is your child/children's clothing labelled? Please check all clothing, hats, lunchboxes, etc. to make sure your child's name is clearly visible. If items are clearly labelled items can be returned to the correct owner. We appreciate the efforts in purchasing your child's uniform and the associated cost so it is imperative to be clearly labelled.

Laurimar Little Flyers

Come for a tour and celebrate Holi Festival with us

If you would like to come for a tour while celebrating Holi with Little Flyers Laurimar Child Care and Early Learning Community, we are excited to invite you to our first ever Holi Festival Event. Holi is known in the Indian Culture as the "Festival of Spring", "Festival of Colours" and the "Festival of Love." It is a time to celebrate with friends and family. It is a time to celebrate the blossoming of love, friendship, laughter and forgiveness.

We hope you can share in this exciting event with us.

Where: Laurimar Child Care and Early Learning

35 Flaxen Hills Road, Doreen 3754

When: Tuesday 10th March

Time: 6:30pm to 8:00pm

RSVP: Evet or Naomi on 9717 3741

Activities on the Night include

- Coloured flour throwing (7:00pm to 7:15pm)(made from corn starch and food dye)
- Dandiya making (dancing sticks)
- Sausage sizzle
- Bollywood Disco

Family Services is coming to Laurimar!

An Anglicare Family Services Practitioner will be present at Laurimar Community Activity Centre on Tuesdays.

We can provide support for parents or carers who have care of children between the ages of 0-18. Our aim is to assist families in achieving your own goals by developing parenting skills and building on the strengths you already have.

We can be flexible with the support offered. Some of the support we offer is parenting work, helping you make connections in your area and making referrals to other services, including group work (e.g. Parentzone, Circle of Security etc.) and financial counselling.

This is a free service. People can drop-in to the centre or make an appointment.
