## DATES TO REMEMBER: 2019

### TERM ONE

#### Monday - 11 Feb

Parent Information Night Yrs 1,3,5

6.30pm—7.30pm

Year 3 ICT information 6.00pm-7.30pm

#### Wednesday -13 Feb

Parent information Night Yrs 2,4,6

6.30— 7.30pm

#### Monday -18 Feb

District Swimming

Year 6 Shrine/Parliament House  
Excursion

#### Monday—4 March

Division Swimming

#### Wednesday 6th March

Photo Day

#### Monday 11th March

Labour Day (no school)

#### Monday 18th March

National Young Leaders Day Excursion

(School Leaders 7.30am-4.30pm)

#### Friday 5th April

Last Day of Term 1

2.30pm Finish

## Principal's Report

### A very warm Welcome Back!

Where did the January holiday period go? A scorching summer had by all and it keeps giving through February and no doubt into March. I would like to take the opportunity to officially welcome ALL families existing and new from within our community back into the 2019 school year. This promises to be another very productive, challenging, hardworking and engaging year at Laurimar Primary as we engage on a new beginning or frontier for Laurimar Primary School. If we reflect on the previous rich, 10 year history of the school, all involved should be mightily proud of the work achieved in the first 5 years, which were foundational to build, induct new families and create a strong culture for our school from the ground up. The next 5-year phase allowed us to consolidate our programs and become established. A wonderful block of history was established. This next 5 year block will target all aspects of our school going from 'Good to Great' where we will demand higher expectations for all learning and our students

I trust that you and your wonderful families have all had a well earned rest and safe Christmas and New Year period as we move through February together towards Easter. A very special welcome to 157 new students in Prep and throughout the school and their families who have started at Laurimar Primary School for the very first time. All our staff are thrilled to have you as part of our educational culture at Laurimar Primary School. One of the highlights on Day 1 was to see many of our new Preps confidently leading their parents into their classrooms, shaking hands with and greeting new friends and demonstrating an amazing level of confidence and readiness.

Once again, this is great credit to our comprehensive transition program for our Prep students where they are immersed in 10 opportunities and experiences to feel comfortable and confident.

It was an absolute pleasure to walk through all 43 of our classrooms last Thursday and meet the fresh smiley faces of some 1000 students in our great school. A few tears from a couple of our Prep students but perhaps a couple more from the departing mums and dads throughout the morning. Congratulations to all on a positive and successful commencement to the 2019 school year.

# Principal's Report

It never ceases to amaze me the smooth transition from one year to another. Highly professional and dedicated staff put in countless hours through the weeks of the holiday period to ensure preparations are in place for Day 1. Pleasingly, when I venture into the rooms, discussions around higher levels of respect, integrity, exemplary manners, gratitude and looking at the Student Code of Conduct and 3 School rules are taking place with all students.

I would like to officially welcome all new staff who have joined our school community for 2019. They have stepped in and added value to our wonderful Laurimar Culture to engage, motivate and inspire our students to achieve their learning goals and experience success;

**Prep: Mr Nathan Jones and Miss Samantha Sommers**

**Grade 1: Ms Taryn Ashby**

**Grade 1: Ms Rebecca Park**

**Grade 1: Mrs Gemma Phillips**

**Grade 4: Mrs Rachel Plymin**

**Grade 5: Ms Ebony Clementson**

**Grade 5: Mr Mark Brown**

**Grade 5: Mrs Marg Omond**

**Grade 6: Ms Erin O'Connell**

**Office Admin: Mrs Melinda Key**

**Expressive Education PE: (Mr Rhett McDonald Returning after a year working in Canada)**

This is a dedicated, knowledgeable and hard working new group of teachers to strengthen our teaching workforce. We hope that your time here at Laurimar Primary is a fulfilling experience and we wish you the best of luck on your journey in teaching and inspiring our students this year and beyond.

## **STEM @ Laurimar**

Heading into the second year of this wonderful curriculum area we increase the teaching and learning program in STEM Education to include all Year 3-6 students. Under the leadership of Mrs Anna Phillips and Ms Vanessa Thompson, all students in Years 3-6 will undertake a weekly 1-hour program that will engage, inspire, create curiosity and amaze. We have increased the space to a second learning classroom for this program, which demonstrates a strong commitment to STEM Education moving forward. If you get a chance please pop down to see this exciting program for your children.

## **Uniform**

One of the highlights of the start to the new year is the continued roll out of our new uniform. Our students have come back to 2019 sparkling in their new uniform and everyone is making a concerted effort to adhere to our uniform policy in which we are all mightily proud. There has been a popular update of the very smart new school dress, which became available at the end of last year. Your children look fantastic combined with the new haircuts and smiles. We couldn't be more happy. The challenge is to sustain this effort and attitude all year round and continue the great pride.

Clarity around shoes as per our policy is that ***preferably black school shoes should be worn on all non-sport days. In the event that students can't, they wear shoes or runners that are predominantly black or white with no fluoro laces.***

Well done to all mums, dads and carers for this diligent preparation and helping to instil this in your children.

# Principal's Report

## **Punctuality**

We have had a successful start across the school in terms of punctuality and getting students into their class on time. All doors will be open from 8.45 am and we welcome parents and carers into their child's classroom for the first 10 minutes to engage with teachers and students. Under our 'Every Minute Counts Motto', it is imperative that all students start each and every day on time and that the learning is consistent and commences without disruption. Going hand in hand is our 'It's Not OK to be Away' attendance focus where we aim to have each student reach a 95% or above attendance record for the year. Clearly if your child is sick or unwell, they don't attend school. We appreciate your help and support in these areas throughout the year as we strive towards success together.

## **Office procedures/ times for payments**

Please note the strict office hours of our school are between 8.30am-4.00pm. *Payments will not be processed until 8.45am each day and will finish at 3.30pm each day.* We strongly encourage our preferred methods of payment and communication via COMPASS.

## **Student leadership presentations**

On Monday 11<sup>th</sup> February at our WHOLE SCHOOL assembly, we will present our 2019 Year 6 student leadership badges to those students that have been elected onto leadership positions for this year. Student leadership is a major focus here at Laurimar Primary School and we are thrilled to be announcing our 2019 young leaders. Parents and carers of these children are also invited to join us for a special celebration morning tea to be held in the staffroom at the conclusion of the assembly to celebrate the success of our young leaders.

## **Commemoration of February 7<sup>th</sup>, 2009**

Yesterday we marked a moment of respect for the 10 year anniversary since one of Victoria's greatest Natural Disasters; Black Saturday. This was a time to pause, reflect and remember the impact of this day on so many within our community.

Many from our school, staff, parents and students were directly affected by the bushfires through loss of loved ones, homes, schools, livestock or businesses. The legacy of the bushfires continues to be felt in communities to this day, and this time of remembrance brings difficult feelings for some members of our school community.

As a mark of respect our school lowered our flags to half-mast for the day. At 12 noon we paused for a minutes silence to reflect this occasion.

## **Inward Chinese Exchange Trip**

Last Friday we had a special visit from our sister school in China, Jinling Primary School in Nanjing. 20 students and 4 staff were immersed in our Laurimar Primary School culture in the rooms and enjoyed the experience. Many thanks to our Chinese team for the organisation of this stay and to our very kind host families from Laurimar Primary School who accommodated the children who were as young as 6 through to 13. We greatly appreciate the hospitality and gratitude shown towards our special visitors. A big Happy Chinese New year to everyone as we celebrate Year Of The Pig.

Welcome to our newest staff member, Chinese Assistant teacher Ms Xiamao Chang who landed in Australia last Friday and will teach Chinese to our Prep- 2 students. Thank you to Mrs Perng Chao for picking her up and bringing her to Laurimar Primary School for the next 12 months.

# Principal's Report

## Road Traffic Safety around the school

At the return of every school year, it is imperative that people adhere to all traffic rules, speeds and regulations around schools. Sadly, there have been multiple reports over the first 2 weeks from our crossing supervisors around road rage, disrespect, people not stopping when the supervisor is out with their sign and other forms of poor etiquette. We have all worked tirelessly and safely over the past 10 years to keep our children and members of the community safe without incident. Ironically at the end of last year, we put on a morning tea for our wonderful supervisors and they were talking so positively about the conduct and manners of 2018. Unfortunately, to this point, the same can't be said for the commencement of 2019.

When driving we may need to wait for very short periods of time occasionally just to keep a healthy balance and reduce the frustration. This needs to be taken into account during drop off and pick up times especially to keep everyone safe.

A reminder also that our Kiss and Drop zone at the east side of our school is strictly there to **DROP YOUR CHILD OFF SAFELY AND EXIT** within the time frame. Please do not park, leave your car and congest this area. Our staff who are on yard duty will ask you to leave if you are breaking the protocol within this Zone. When used effectively, this is such a positive zone to help traffic flow and get our students to and from school safely.

Please be vigilant with all areas of road safety around our school and others. I ask each and every one of you to use extreme cautions at drop off and pick up and respect the supervisors and teachers who try to safely manage these situations for all of our children.

### SCHOOL CROSSINGS

- Look out for flags and Crossing Supervisors.
- You must stop for anyone waiting to cross, or who has started crossing.
- Please remain stopped until the crossing is clear.

I look forward to catching up with you around our school to talk about the great success to start 2019. **Please come and join us at the conclusion of assembly this Monday 11<sup>th</sup> February in the staffroom for a morning tea mingle.**

Best Wishes,

Jason McBean  
Principal

# Assistant Principal's Report

A big welcome back to all families for 2019 and a special welcome to our new prep families and those who are new to our school. It is lovely to have you join the Laurimar Primary School community. It has been terrific to catch up with many of you and the children, to hear about all the exciting activities throughout the Christmas break. The children have settled beautifully into their 2019 classrooms especially the Preps and the buzz of learning around the school is fantastic. A lot of credit must go to you for preparing your children well for the new school year and to our fantastic teaching and support staff for providing an engaging and happy start to 2019.

## FEEDBACK @LPS

On Tuesday January 29 all staff were involved in a professional development day on feedback. Feedback especially from teacher to student is major area of focus at LPS for 2019. Research has found that Feedback which can be written or verbal, has a 0.73 effect size on student learning if done well. For feedback to have a high impact it needs to be timely, specific and clear, informing the student of their achievement based on the learning intention and what their next steps for further improvement are.

When asking your child about their learning or looking at their completed work, you will begin to see 3 symbols (picture on left) which are part of our feedback stamp that every teacher is starting to use. Discuss Feed Up, Feedback and Feed Forward with your child/ren so we can cement high quality feedback as a vital part of learning @LPS.

## SCIENCE @LPS

As previously mentioned our STEM Science Program has extended into Year 3. We are very proud of being able to have a one hour weekly Science lesson for years 3 to 6 at Laurimar Primary School as many primary schools are not able to offer this. The program for term one is:

Year 3 are focusing on Earth and Space Science (Earth, sun, moon, night and day)

Year 4 are focusing on Earth and Space Science (the Earth's surface and change)

Year 5 are focusing on Physical Science – Light

Year 6 are focusing on Earth and Space Science – Natural Disasters.

It promises to be an exciting term of learning for our young scientists!

# Assistant Principal's Report

## SPELLING @ LPS

Teachers have hit the ground running with Spelling. Spelling @LPS is based on the Sound Waves spelling approach which teaches students the 43 phonemes (sounds) in the English language and the variety of graphemes (letters) that make those sounds. We focus on the same phoneme each week from years 1 to 6 and in Prep we begin the year focusing on a different letter each day.

Research tells us that people need multiple exposures to phonemes and the different spelling choices they have to make these sounds and how they link to spell words, before the spelling of a word becomes automatic. The Sound Waves online activities are a great way to achieve this. Each student has a password in their diary to access the activities. As you click on each sound box you can learn the correct pronunciation of each phoneme sound, the variety of graphemes that make the phoneme sound, see words that have the phoneme sound, segment the words into their phoneme sounds and play a variety of games to develop and support this learning. As well as these activities there are worksheets that the students can complete to deepen the learning.

Fun activities such as these are a fabulous support for the work that is happening in our classrooms especially during holiday times.

### PREP SOUND WAVES FOCUS

Prep students will begin their Sound Waves journey next week where they will focus on a different letter each day.

WEEK BEGINNING MONDAY FEB 11		WEEK BEGINNING MONDAY FEB 18	
Monday	b	Monday	g
Tuesday	k	Tuesday	h
Thursday	d	Thursday	j
Friday	f	Friday	l

### YEAR 1 TO 6 SOUND WAVES FOCUS

Over the next two weeks students in years 1 to 6 will be investigating:

Week beginning Feb 11

Week beginning Feb 18

# Assistant Principal's Report

## INFORMATION EVENINGS@LPS

You would have received a notice and Compass alert regarding Year Level Information Evenings. Next Monday February 11 is the year 1, 3 and 5 evening and next Wednesday February 13 is the year 2, 4 and 6 evening. These meetings will provide you with a lot of information regarding the 2019 curriculum, homework, school camping program and expectations for your child/ren.

We are looking forward to seeing you there as it is with a strong partnership that we can achieve the best outcomes for each and every child at Laurimar Primary School. Please complete the return slip and send into school on Monday so we can cater accordingly.

## SCHOOL DENTAL VISIT

During this week you will have received a notice regarding the visiting school dentist. If you wish for your child to see the dentist please return the form to the office by this Monday as the dentist will visit the school to collect completed forms on this day.

Deb Purser

# From the Office

## IMPORTANT INFORMATION FOR PARENTS - CSEF PAYMENTS

The Camps, Sports and Excursions Fund helps ensure that no student misses out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their achievements. CSEF will be provided to eligible families to cover part of the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child. The annual CSEF amount per student is:

- \$125 for primary school students

### How to Apply

Contact the school office to obtain a CSEF application form or download from the CSEF website [www.education.vic.gov.au/csef](http://www.education.vic.gov.au/csef)

### Change of Information

If over the holiday period you have changed your address, telephone/mobile number or place of work details, could you please inform our office staff as soon as possible as we need to have Current information for emergency purposes. If your child attends before or after school care, ensure you let the OSHC Team know of any changes as well. Your assistance with this would be greatly appreciated.

### Lost Clothing and Property

Is your child/children's clothing labelled? Please check all clothing, hats, lunchboxes, etc. to make sure your child's name is clearly visible. If items are clearly labelled items can be returned to the correct owner. We appreciate the efforts in purchasing your child's uniform and the associated cost so it is imperative to be clearly labelled.

# From the Office

## Student Accident Insurance, Ambulance Cover Arrangements and Private Property brought to school.

Parents are reminded that the Department does not provide personal accident insurance or ambulance cover for students. Parents and guardians of students, who do not have student accident insurance/ ambulance cover, are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance or transport as well as any other transport costs.

### **STUDENT ACCIDENT INSURANCE**

***Parents are reminded that the school does not provide personal accident insurance for students. Parents/guardians are responsible for paying the cost of medical treatment for injured students, including any transport costs. Reasonably low cost accident insurance policies are available from commercial insurers should you require one.***

## Immunisation Certificates

All students are required by law to provide a copy of their certificate on enrolment. Even if your child is not immunised, you must still provide an immunisation status certificate. If you have previously received a letter requesting an immunisation certificate be provided to school, can you please follow this up promptly.

## Year 7 Transition Dates for Grade 6 Students.

When	What	Who
Term 1	School tours	Parents
Term 2	Shortlist two or three schools & revisit	Parents & children
Week 1, Term 2	Transition forms distributed to students	LPS - Kim Ferguson
17th May	RETURN transition form directly to Kim Ferguson *Public & Private Schools	Parents
7th August	Student placement offers announced to parents	LPS - Kim Ferguson
8th - 19th August	Parents may lodge non-placement appeals	Parents
10th December	Government School Orientation Day	Students
Term 4	Transition Program at L.P.S	LPS - Year 6 team

# Social Emotional Learning (SEL)

**Welcome to 2019! How fabulous it is to be back at our amazing school for a fresh new year! It's exciting too, that this year class teachers in Years 3-6 will be responsible for teaching the You Can Do It! Education program in weekly SEL sessions. Welcome to Mrs Ash Sharp who continues her role in SEL this year, teaching YCDI! to Years Prep-2 alongside me, Marg Milne!**

Firstly, this week all students will be learning about the concept of the Emotional Bank Account. This involves making positive deposits into our own emotional 'bank accounts' and the emotional 'bank accounts' of others. This concept is cleverly explained in a story that also provides a wonderful springboard into Social and Emotional Learning (SEL) for the year. It's called "*Have You Filled a Bucket Today?...a guide to daily happiness for kids*" written by Carol McCloud.

In this book we learn that we each carry around with us an invisible bucket.

Every child, every mum, every dad, every grandparent, every friend, every neighbour, EVERY PERSON carries an invisible bucket. This invisible bucket holds all your good thoughts and good feelings about yourself. You feel happy and good when your bucket is full and you feel sad and lonely when your bucket is empty.

As you can imagine it's great to have a *full* bucket and this is how it works...You need other people to fill your bucket and other people need you to fill theirs.

So, how do you fill a bucket? You fill a bucket when you *say something kind to someone*, when you *do something kind for someone* or even when you *give someone a smile*. When you make someone feel special, you are filling a bucket.

But, you can also dip into a person's bucket and take out some good feelings. You dip into a bucket when you make fun of someone, when you say or do mean things, or even when you ignore someone.

Now, here's the good news...when you fill someone's bucket, you fill your own bucket too! Because *you* feel good when you help *others* feel good!

So, why not decide to be a 'bucket filler' today and every day. It's fun and easy to do! It doesn't matter how young or old you are. It doesn't cost any money. It doesn't take much time. With practice you will become a great bucket filler! And remember, when you fill someone else's bucket, you fill your own bucket too.

Bucket filling makes EVERYONE feel good!

Why not have a conversation with the family about this wonderful story and talk about ways we can all be bucket fillers...at home, at work, at school!

**That's all for now! Stay tuned for the next instalment as we share with you the students' progress through our research-based, quality SEL program...**

**Cheers! Marg Milne J**

# Cut 'n' Chat

Hey Lovely Laurimar Families....come to CUT 'N' CHAT!!

This is an invitation to anyone who would like to enjoy some friendly conversation with other parents while at the same time helping our wonderful and hard-working teachers.

In addition to this, one important component of our KidsMatter framework is 'Building a Positive Community'. Welcoming parents into our school helps build connections between parents as well as between parents and teachers. Not only that, your children will LOVE that you are helping their teachers and their school!

At the moment we meet in ROOMS 19/20 at 2.30 pm EVERY WEDNESDAY and we CUT and CHAT until pickup time!!

I'm sure you know how hard our teachers work, including during their lunchtimes and after school till late, making essential (but time consuming) resources. These resources support student learning and make all our learning spaces bright, welcoming and educational.

I also know that many of you like to come early in the afternoon to ensure a good car park for pick up time. Why not create a win-win situation for all and come along and help out!

At our "Cut and Chat" sessions many hands make light work!

Tasks might include photocopying, laminating, cutting, scanning and in other ways making important resources for the classrooms, for the Library and for other shared areas.

All materials and instructions are provided as well as tea and coffee!

Littlies are welcome too and it's always fun to see them mowing through the contents of their snack boxes and chatting and playing together!!

Please join the dedicated band of AMAZING mums who have got this ball rolling and let's make it bigger and better and even more productive than ever!

Thank you in advance and we'd love to see lots and lots of you NEXT WEDNESDAY AT 2.30!!

Cheers!

Marg MilneJ .....and every VERY appreciative staff member!!!

# Canteen

## 2019 News from the Canteen!

With the start of the New Year comes the need to reset your child/ren's grade in Munch Monitor. Until you have done this you are unable to order and it will look like the canteen is closed through the Munch Monitor ordering page. Go to their profile and ensure that they are in the correct class. A current picture of your child/ren is also very helpful for canteen staff, this way we can quickly identify them, particularly new students.

If you are new to Laurimar Primary School our canteen operates 5 days a week for recess & lunch. When placing your child/ren's lunch order go to Munch Monitor website and place it by the 9:15am cut-off time. With recess orders the students need to come and collect these from us at the start of recess. If you order a frozen treat for your child/ren's lunch, they will get a stamp on their bag to come and collect it once the lunch time bell goes. The students must bring this bag to the canteen to collect their treat.

One of Munch Monitor's functions is "Spending Money". This allows your child/ren to come to the canteen without the worry that they will misplace their change. You set their spending limit to daily/weekly, then they simply come to the window, tell us their name and grade, then we complete the transaction on the computer.

The canteen is always looking for parent helpers, if you could spare an hour or two at some stage during the week, we would be very grateful. Duties could include baking biscuits, packing lunch tubs, restocking shelves and of course serving the students at recess & lunch times. It's great to see your own child/ren's faces light up when they see you in the canteen.

Kind Regards

Julie, Jacinda, Lois & Sarah  
The Canteen Team

# Canteen

## SAVE TIME with our ONLINE CANTEEN!

### Our Canteen is ONLINE

- Place orders
- **Your online** (or cash at canteen or office)
- Online account **statements**
- Order at a time **convenient to you** up to 4 weeks in advance

### How do I set up an online account?

#### It's quick & easy!

- go to [www.munchmonitor.com](http://www.munchmonitor.com)
- Enter Username: laurimarps and Password: munch3754
- Click Sign UP

Follow the 4 easy steps to create your account

Create a Parent Profile

Add your students to your Account

Click on Account Top– Up to transfer money into your account.  
You'll be directed to ANZ's secure eGate website

You're ready to **use your online account!**

Thousands of parents are enjoying the convenience of MunchMonitor every day. Here's what some have to say:

*"I think this has to be one of the greatest things to be introduced to the school.... so thank-you!"*

*"It's simple & convenient"*

*"Absolutely love the fact that you don't have to give them money to take to school"*

*"I don't have to worry about forgetting to give them money"*

### What does it cost?

Munch Monitor costs just \$3.30 (that's less than a cup of coffee) per Parent Account per Term.

**Munch Monitor is active now!**

**Need more information ?** Send an email to [help@munchmonitor.com](mailto:help@munchmonitor.com)

## How do you place a lunch order?

Orders can be placed online at [www.munchmonitor.com](http://www.munchmonitor.com)

Username: laurimarps—Password: munch 3754

Then create your own personal account. Before 9.15am on the day of order.

If your child has any food allergies or intolerances please contact us.

## RECESS & LUNCH MENU

Sandwiches, Wraps & hot food are only available when pre-ordered via your munchmonitor account

### Sensational Spring & Summer Snacks

Whole Fresh fruit (seasonal availability)	1.00
Carrot sticks (6 pieces)	1.25

Gingerbread People	2.00

### Drinks

Water	2.00
Just Juice - (Various flavour)	2.00
Up and Go - Chocolate & Vanilla	2.40
Big M— Chocolate & Strawberry	2.40

(V) - Vegetarian  
(GF) - Gluten Free

Place your order at [www.munchmonitor.com](http://www.munchmonitor.com) before 9.15 on the day of the order.  
Username: laurimarps—Password: munch 3754

# First Aid

## First Aid

Welcome back for another school year!

At the beginning of each school year, we require a new Asthma Action Plan to be provided for all our students that have Asthma. Please come and see us in the First Aid Room for a blank Asthma Action Plan to take to your local doctor for completion. This is important as each child's needs are different and will advise us on the best way to provide medical assistance to your child.

We also ask that you provide your child's teacher with a clearly labelled reliever and spacer for their use within the classroom. Additional to this, we ask that if you haven't already, please provide to the First Aid Room a clearly labelled reliever and spacer for your child to use during recess and lunchtime.

## Anaphylaxis

Anaphylaxis is the most severe form of allergic reaction and can be potentially life threatening. Laurimar Primary has numerous students with various food allergies that can result in anaphylaxis.

Any one of the below list of symptoms may be signs of Anaphylaxis:

- Difficult/ Noisy breathing
- Swelling of the tongue
- Swelling / tightness in throat
- Difficulty talking and / or hoarse voice
- Wheeze or persistent cough
- Persistent dizziness or collapse
- Pale and floppy (young children)

Classes that have a student with anaphylaxis are provided a letter at the beginning of the year requesting that they refrain from bringing in any food items that may trigger an anaphylactic response in the child at risk. In this way, we can continue to keep our students safe.

Two of the main purposes of our Anaphylaxis Policy is to:

- Provide a safe and supportive environment for students at risk of anaphylaxis
- Ensure that all staff have an in depth knowledge about allergies, anaphylaxis and the school's policy and procedures in responding to an anaphylactic reaction

If you have any queries relating to allergies and anaphylaxis, please feel free to visit us in the first aid room.

Thank you!  
Caroline and Jess  
School Nurse

FRIDAY 15 FEBRUARY

## 2020 Scholarships

**Visit our website for more details.**

**ELTHAM College provides a unique, supportive and challenging learning culture where students maximise their talents within a forward thinking, technology rich environment.**

We welcome applications from students who believe they will make a positive contribution to our learning culture and school community, while demonstrating outstanding commitment, achievement and potential in academic and other school-related fields of endeavour.

**For further information regarding scholarships, please visit our website at [elthamcollege.vic.edu.au/enrolment/scholarships/](http://elthamcollege.vic.edu.au/enrolment/scholarships/) or contact our Registrar by email [registrar@elthamcollege.vic.edu.au](mailto:registrar@elthamcollege.vic.edu.au) or phone +61 3 9437 1421.**

1660 Main Road Research Ph 9437 1421 | [elthamcollege.vic.edu.au](http://elthamcollege.vic.edu.au) | [registrar@elthamcollege.vic.edu.au](mailto:registrar@elthamcollege.vic.edu.au)

Explore unlimited possibilities.

Our first tour for 2019.  
Wednesday, 20 February 9:00 am.

Limited tour spots available,  
book online.
